423 So you've
been a soldier
all your life?

Hahaha

I'm 28,
how old are you?

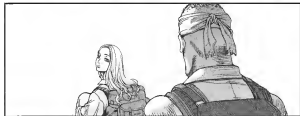

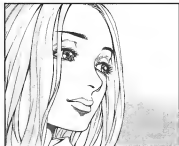

I have no parents..
My uncle took good
care of me, but..
My aunt didn't like
me, so I left
when I was 14.

When the war began..
All my friends ran away, but..
I had no place to go...

I was hiding out alone..
And then the enemy soldiers found me...
